Location, location, location! Amazing opportunity to own 6+ acres with incredible mountain views at a great price. This home is being sold "as is". Owner started many projects but did not finish most. Lots to do but so much potential. Hence, the price! Fixer-upper brick home has great bones. New metal roof, Trane generator, and workshop in full unfinished basement. Multiple outbuildings and sheds on the property. Home converted from oil heat to propane in 2011.
